Congratulations! You've solved this challenge!
Assignment: Activity 1 Thursday ([CyberSecurity 2024 group](#))

This challenge launches an instance on demand.
Its current status is: **NOT_RUNNING**

[Launch Instance](#)

Description

Patrick and Sponge Bob were really happy with those orders you made for them, but now they're curious about the secret menu. Find it, and along the way, maybe you'll find something else of interest!

Download the binary [here](#).
Download the source [here](#).

Additional details will be available after launching your challenge instance.
